

# Modification of Conditions

**Modification of Conditions - After final action has been taken by the County on a project, an applicant may request that conditions be deleted or revised. Requests for modifications are heard by the original decision maker. This process does not apply to Development Plans or Conditional Use Permits (see those application forms).**

Planning and Development does not keep extra copies of plans and maps after project approval. Files are microfiched. You are responsible for submitting copies of your approved plans/maps.

**NOTE:** Additional copies of submittals may be required. Requests of this type vary in complexity. Most will require only one planner's review, but others must be looked at by other departments. If your application falls into the latter category, the application coordinator or your planner will let you know so your request may be expedited.

<sup>1</sup> If additional information is needed regarding location of a City's Sphere of Influence, please contact our zoning information counter.

Attach additional sheets if necessary, referencing the section and question number. Please fill in every blank. Use "N/A" where question is not applicable.

**II. PROJECT DESCRIPTION:** Please use the space below or type on a separate sheet and attach to the front of your application a complete description of your request including the permit/decision requested, location, setting, and purpose of the project, reason for time extension, modification, change in plans, etc.
