### **\*Confirmation of reporting party via phone or email must be completed prior to investigation**

All information provided will be kept strictly confidential. However, should this complaint become part of a criminal and/or civil court case, this information may be provided to the District Attorney or any such other appropriate authority as part of their investigation.

Please note that any documentation or photographs submitted with a violation complaint or used to validate a violation complaint must be obtained in a manner consistent with all laws regarding trespass, privacy and property rights. Planning & Development cannot accept complaints where it is evident that knowledge or documentation of the violation was illegally obtained.

I would like to be contacted to discuss the violation complaint or receive an update.

Please contact me only if additional information on the complaint is required.
