

COUNTY OF SANTA BARBARA  
PLANNING AND DEVELOPMENT

MEMORANDUM

TO: Interested Parties

FROM: Steve Mason, Administration and Operations Manager *SM*

DATE: July 24, 2014

RE: Water Availability & Permit Issuance

---

During the remainder of the declared state and local drought conditions the following shall be required prior to approval of a zoning permit for development.

1. Intent to Serve or Can & Will Serve letter from the applicable municipal water agency or existing/established Mutual Water Company.

*or*

2. Confirmation that a permitted (zoning and/or EHS) water well is or will be available to serve the proposed development.

*or*

3. Confirmation of the availability of an offsite water supply. Confirmation of availability requires the submittal of signed Water Availability Certification (see attached) with the following information:

- a) The name and contact information of entity providing water.
- b) Address or parcel where water will be obtained.
- c) Specifics on water delivery (how is water reaching project site, will routine maintenance/delivery be required, etc.)
